

# Have you ever wanted to give your clients the "big picture" of employee benefit requirements?

Well, here's your chance. EBIA's Short Course booklets provide easy-to-read overviews of the rules using real-life examples, Q&As, and easy-to-follow charts. Newcomers to these subjects (and even some veterans) will appreciate the bird's-eye view provided in our booklets.

Our booklets make excellent seminar and training materials too!

Booklets are available for bulk orders of 50 or more of a single title. You can add your black & white logo to the cover at no additional charge.
