

**Annual license. Employers** can purchase a one-year license that allows them to make the Tax Savings Calculator available on their website for use by their employees. **Service providers**, including administration firms and others providing benefits-related services to employer-clients, can purchase a one-year license that allows them to make the Tax Savings Calculator available on their website for use by their own employees and the employees of their employer-clients.

**Linking to the Tax Savings Calculator Through Your Website.** The Tax Savings Calculator resides on our website. You provide us with the URL of the web page that employees will visit to access the Calculator. To launch the Calculator, employees must enter a password that you distribute to them in a secure fashion. See the License Agreement for details.

**End User System Requirements.** For end users (employees), the Tax Savings Calculator requires an Internet browser and the Macromedia Flash plug-in, which is already installed on most systems.

**License Agreement.** Before you place your order, please read the License Agreement found at:  
<http://www.ebia.com/Copyright/Licenses/TaxSavingsCalculator> .

**EBIA's Tax Savings Calculator** is a serious, powerful, accurate and easy-to-use tool for employees to estimate their federal tax savings that arise from making a wide variety of pre-tax salary reductions and tax deferrals. It also compares DCAP vs. DCTC savings.
